O R D E R:

The Government have hitherto ordered that the expenditure incurred in connection with the local purchase of pulp boards for printing ration cards be debited to 56 Stationery and Printing - e. Printing at Private Presses". The Superintendent of Stationery has stated that the proper head to which the expenditure sanctioned in G.O.Ms.No.1046 Food dated 23.9.1947 for the purchase of pulpboards by the Collector of Trichinopoly, for the printing of ration cards in local presses is, "56, Stationery and Printing - b. purchase of Stationery Stores, Stationery purchased in India." The Accountant-General, Madras who has been consulted in the matter is of opinion that if the local press prints the matter on its own cardboards, the charges of printing and Stationery should be debited to "56-Stationery and Printing - e. Printing at private presses", and that in cases where the Stationery is purchased by the Government locally in cases of emergency and the matter is printed and or that stationery in local presses , the cost of that stationery should be debited to, "56-Stationery and Printing - (i) - Stationery - Purchase of Stationery Stores - Stationery purchased in India", as normally the Stationery will have to be supplied by the Superintendent of Stationery and the cost debited to this Head. The Government agree with the Accountant-General and direct that in modification of the orders issued in paragraph 2 of the G.O.No.1046, Food dated 23-9-1947, the expenditure sanctioned in para 1 there should be debited to "56. Stationery and Printing - Stationery purchased in India".

2. The Board of Revenue (Civil Supplies) is informed that in all similar cases the same procedure should be adopted.
